It's fun!

2011

Introduction

Would you like to raise in excess of \$4,000 for your club?

If so, Chasers Restaurant & Function Centre at Greyhound Park is the place to do it. We can offer your club a fun, simple & successful way to raise much needed fundraising dollars.

Our professional & friendly staff will help you to organise & run your event on the night by offering guaranteed fundraising methods.

A Thursday night at the dogs in Chasers Restaurant gives you a delicious 'all you can eat' buffet, exciting greyhound racing action including free entry & a fun night out for people of all ages.

Our great venue is located only 15 minutes north of the city, has free car parking and can cater for groups of up to 350 people.

How can we raise funds?

Race Name Sponsorship

The most popular way of raising funds is through race name sponsorship.

For \$275 (incl. GST) per race, a business that is not in direct competition with our current sponsors will be able to sponsor a race & benefit by receiving tremendous publicity & promotion.

The sponsor's name will appear on top of the race in The Advertiser, TAB Form, Tab Agency Sheets & the Race Program & will also be mentioned by the race caller prior to each race.

Sky Channel covers all greyhound races, so the sponsor will receive excellent coverage across 302 hotels & 107 TAB agencies in South Australia.

Additionally, at the sponsor's expense, a sign may be placed at the track on the chosen night, creating more publicity.

It's Time!

Race Name Sponsorship

From the \$275 obtained, your club will retain \$220 & Greyhound Racing SA will retain \$55 (all incl. GST).

As an added incentive, if your club has 100 or more adults booked into Chasers Restaurant for a meal, we will allow your club to retain all of the profits. What an easy way to raise funds for your club!

For example: \$275 x 11 (races) = \$3,025 (incl. GST).

If you would like a copy of a letter template to send out to target businesses please do not hesitate to contact us & we will email it to you.

Buffet Dinner

Another popular way of raising funds is enjoying the 'all you can eat' buffet in Chasers Restaurant.

\$29.50 per person will cover the cost of the meal, entry to the races (valued at \$7), as well as an Adelaide Race Book to share (valued at \$3).

From this, your club has the authority to raise the price of the package & keep the profits.

For example: You may sell the dinner package for \$34.50 per person, of which \$29.50 will go to Greyhound Racing SA & \$5 will go to your club as net profit. Multiply this by the number of people going, say 100 & that's a net profit of \$500.

In addition to this, we are able to assist you with promotional material such as leaflets, A4 posters & tickets to distribute, at no extra cost to you.

Racing Sweeps

A fun way to raise funds is through 'racing sweeps'.

In this method Greyhound Racing SA will allow your club to sell sweeps for either \$5 or \$10 to your members. Any person that purchases a sweep will draw a greyhound that is running in a race on that particular night.

On race nights, there are generally 11 races with 8 greyhounds racing in each race.

That's 88 sweeps to be sold or 88 greyhounds to be drawn. Multiply this by say \$10 per ticket & that's \$880 raised. Your club gets to keep these profits. If a member's drawn greyhound wins, the sweeper will receive a small prize that is to be coordinated by your club (this can be a small cash voucher, trophy etc).

If you would like a copy of a sweep template to be used on the night of your fundraising event please contact us & we will email it to you.

Raffles

Your club may sell raffle tickets on the night of your fundraising event.

The prizes are up to you; clubs in the past have profited more than \$100 from this method.

In addition, an MC from Greyhound Racing SA can help coordinate ticket selling, prize draws, presentations, at no extra cost to your club.
