Select your date

Firstly, decide on a date for your night at
Chasers Restaurant.

Thursday nights at Angle Park are the premier
night of racing hosting the best greyhounds in
the state, so look at your calendar and select
your preferred date.

Sell tickets to your event

The first way you can make some serious
cash for your club is to sell tickets to the
night to members, family and friends!

We offer two discounted packages to
choose from.

Our **Standard Package** is \$35 per adult
and includes a choice of main meal from a
limited menu and a glass of tap beer, wine
or soft drink.

Or go large with our **Premium Package!**
At \$65 per adult this package includes all of
the standard package but adds a two hour
drinks package [includes tap beer, house
wine, soft drink and coffee].

You can then on sell the package for a
higher price and keep the profits! Choose
the Standard Package at \$35 per person
and sell 100 tickets at \$45 each, you'll make
\$1,000 profit!

Get your sponsors on-board!

Our fundraising nights provide a great opportunity to explore your club's networks and raise extra cash through sponsorship.

Your club has the chance to purchase naming rights to available races on your night at a discounted rate. You can then sell these race names to your sponsors for a higher amount and retain any profit. Race names are a vital part of your fundraiser and are where you can make some serious cash!

Chasers charges a flat fee of \$200 for the naming rights to all available races. For example, if you choose to spend \$200 on naming rights and subsequently sell five race names to your sponsors at \$250 each, you'll earn a profit of just over \$1,000!

The price you charge for the sponsorship of each race is at your discretion. You could even include a free double pass to the evening for each sponsor to encourage them to attend your fundraiser and see the success for themselves.

Your sponsors will receive media exposure across various mediums including The Advertiser, form guides, Sky Racing, industry papers and race books as well as being shown on multiple screens throughout our venue and included in announcements on the night.

Make it a night to remember!

Be proactive and think creatively about ways to encourage attendance at your fundraiser.

Offering the chance to win prizes through raffles, sweeps, silent auctions, or games between races is a great pathway to additional fun and fundraising.

Our staff can assist with any special arrangements on the night such as announcements, displaying images on both indoor screens and our huge outdoor screen as well as the opportunity to have our on-course photographer capture your memories trackside.

Making payment

On the night of your event, payment will be required for number of attendees based on the tickets provided to our staff at the door as well race naming rights fee (if applicable). Tickets will be provided to you prior to the event.

Methods of payment

Cash, credit or debit card (AMEX not accepted) are accepted forms of payment. Please contact us prior if you need to discuss an alternative method of payment.

We're here to help

We are here to help you and are more than happy to assist with information, templates, advice, or clarification whenever you need it.
